Members of ECAWA are invited to attend a General Meeting:

At a General Meeting to be held on Wednesday the 18th of March 2009 members of ECAWA will be discussing the reasons for ECAWA now being registered for GST and the implications of this move for ECAWA membership subscriptions.

A motion will be put that:

1. ECAWA membership subscriptions will increase by 10% to cover the GST payable on each subscription.

2. The additional amount will be 'phased in' during the March - April 2009 renewal period, with the GST amount being added to School / Organisational memberships and with ECAWA absorbing the GST component of Individual memberships that are paid in full by the 30th of April, 2009.

Moved: Jeff Herd  Seconded: Paul Fuller
