

#CODE LIKE A GIRL

things you **love**  
are made with **code**.

Make your  
own **music**.

Build your  
own **app**.

Make the  
next hit **movie**.

Learn the **magic**  
of code with **CoderDojo**.

Our **free** computer programming club is for **girls** in year's 8, 9 & 10 and will run from 3:30pm - 5:30pm at Murdoch University's South Street Campus for eight weeks starting **Tuesday the 23rd August**.

CoderDojo is about encouraging **creativity** and having **fun** in a **relaxed, social** environment. Learn how to develop websites, apps, programs, games and explore how coding is a force for change in the world.

Please contact Alexis Westerside, [awesterside@wescef.com.au](mailto:awesterside@wescef.com.au) for more information and to register.
