

# Fire Camp Tech Australia Venue Information

## Best GPS Address:

21 Scenic Crescent, South Perth WA 6151

Note: This is an address that will help lead you close to the PARKING area. It is NOT the venue.

The venue is across Canning Highway at number 72 Canning Highway as shown – but there is no parking available there.

## Instructions from Eeshwar

- Follow the GPS route and turn right, instead of left from Ellam St, into the parking lot.
- Walk towards Canning Highway, cross the road and make your way to the dark blue-grey building with the number 72 out the front.
- Enter through the front door, make your way up the stairs and to the right. Enter through the marked door.

If anyone is driving toward the city (eastbound), then a second entry to the carpark is available directly after the Berwick St intersection, as presented on the map. Just watch out for the construction fencing.
