

From the Mount Henry Road entrance to Aquinas College please proceed down the driveway and continue through the roundabouts. You will come to the Junior School buildings and car park on your left. This car park is marked on the map with a white P on a blue background and is circled in RED. Please park here.

After you have parked please walk out of the car park and up the slight rise, through a treed area and then across the oval toward the single storey building marked **13** – The Redmond Learning Centre (LIBRARY). (DO NOT go to *Reception* as indicated on the signs).

There is a dotted red line on the map, indicating approximately the way you should go.

Please remember that although this is a Saturday there will be numbers of children and teenagers moving through the College grounds, so please drive very carefully.
