ECAWA EDUCATOR OF THE YEAR 2022

In association with the
AUSTRALIAN COUNCIL FOR COMPUTERS IN EDUCATION
and the
AUSTRALIAN COMPUTER SOCIETY

Each year the Australian Council for Computers in Education (ACCE) and the Australian Computer Society (ACS) host the ACCE Educator of the Year Award. This award recognises exemplary educational practice by ECAWA members, involving the use of computer technology in the teaching and learning environment.

Nominees for this award are usually the individual state Educator of the Year winners.

Nominations are now being called for the Educational Computing Association of Western Australia's Educator of the Year Award.

The award is intended to recognise the efforts of ECAWA members who are contributing very significantly to the use of ICTs in their schools.
